Grants Information Branch
January 22,1975

The Awards Register, Grants Assistance Programs (EPA) Showing Projects Awarded in Fiscal Year 1972 can be purchased from the Superintendent of Documents, U.S. Government Printing Office (GPO), Washington, D. C. 20402. This document can be ordered for $3.70 by mail delivery and $3.25 if picked up at GPO When ordering, specify Stock Number 5500-00084. For materials ordered from the Government Printing Office, address requests and make checks payable To: Superintendent of Documents, U. S. Government Printing Office.

The Environmental Protection Agency (EPA) Grants Administration Manual - sold on a subscription basis by the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C. 20460 - Consists of the basic manual and supplements at a cost of $18.00. To purchase the manual and supplements, subscribe to EPA, 8/2 EPA Grants Administration Manual. All correspondence concerning this publication should be addressed to GPO.

Awards for the waste water treatment facilities construction grants under Public Law 92-500 made during a particular month are listed in a monthly publication entitled "Waste Water Treatment Construction Data Base - Public Law 92-500 Project Records". This publication is prepared by the Grants Administration Division and distributed and sold on a per issue basis by the National Technical Information Services. It is distributed to subscribers not later than five weeks after the close of the awards-listed month.

The March 1974 issue (PB 23130) provides a base listing of all grants awarded under Public Law 92-500. Beginning with the April 1974 issue (PB 231300-01) the listings will contain awards for one month only and will be numbered in sequence. Microfishe (24x) of each copy is also available. The subscription price is $100.00 annually starting with the January 1, 1975. Previous issues can be purchased at $25.00 a copy.

A copy of this publication is available for examination at the Library of the Environmental Protection Agency, 4th and M Street, S. W., Washington, D. C. 20460 and at the Library of each EPA Regional Office.

OTHER GRANT RELATED INFORMATION

A 200-250 word summary of a grant project is available on the majority of research and demonstration grants.

These summaries are available only for projects that have received EPA funding. In rare instances, a grant application may contain privileged information and is so designated. For these, only the award data such grant number, applicant's name, organization, location, grant title, grant amount awarded, and award date is available; other information may be available depending on the particular circumstances.

The Smithsonian Science Information Exchange (SSIE) Rm. 300 1730 M Street, N. W., Washington, D. C. 20036, receives a copy of the summary of a grant and makes it available to the public on a fee basis. The cost of a print-out if the Agency is identified and the grant or contract number is provided costs $1 per grant number with a $10 minimum fee. A search on a subject (topic) is $50 per search service for 1 to 50 titles, and in addition $10 for up to 50 additional titles. A search on the investigators name can also be performed. All inquiries and request for this service should be addressed to SSIE or phone (202) 381-5511.

GRANTS ADMINISTRATION DIVISION

GENERAL INFORMATION

"FEDERAL ASSISTANCE PROGRAMS OF THE ENVIRONMENTAL PROTECTION AGENCY"

This publication includes descriptive information about Environmental Protection Agency (EPA) assistant programs reprinted from the Catalog of Federal Domestic Assistance, which was prepared for the Office of Management and Budget in April 1974 and has a all Federal publication date of June 1974. Similar information on programs of all Federal agencies is included in the Catalog which is available from the Superintendent of Documents, Government Printing Office, Washington, D. C. 20420 for $14.50 and includes changes as issued for the 1974 edition. It is also available for public use in Federal Depository Libraries.

The EPA regional offices and the Water Pollution Control Agency of each State are listed in the Appendixes. Applications for Wastewater Treatment Construction Grants should be obtained through the State Water Pollution Control Agencies.

This booklet is revised periodically to reflect program changes and new legislation which affect EPA assistance programs.

Copies of this booklet may be obtained from the Environmental Protection Agency, Grants Information Branch, Grants Administration Division (PM-216), Office of Planning and Management, Washington, D. C. 20460.
